

Does your dock look like this?
If not, get ready to

Clean House For A Cause

Time to move out some ...

Unclaimed Freight?

Spare Office Furniture?

Surplus Equipment?

Find it...Snap it...Post it...Donate it!

During the month of December, walk through your offices, shops, yards and warehouses to identify surplus items you've been meaning to move out.

We'll post your "surplus but serviceable" items for viewing by our partner charities. We'll let you know who can use it, and we'll help coordinate pickup. Your donation may even entitle you to a charitable tax receipt.

*Head into 2015 with
a clean house and
the warm feeling of
having made a
difference in your
community.*

"Clean House For A Cause" is sponsored by our good friends at

Clean House For A Cause is organized by Trucks For Change Network, a non-profit organization with a mission to develop and promote the trucking industry's support of its communities.
